

# CALLED TO FLOURISH: VOLUNTEER SPOTLIGHT

*Learn about the Mahvolic Family and why they support the campaign*

50 years ago my wife Kathy and I were excited to learn there would be a new Catholic Church in Kirtland called The Chapel of the Divine Word. We were very fortunate to be part of the planning and building of our Church. From those humble beginnings, Divine Word has grown into a vibrant Catholic Community. Father Dave and his predecessors have built a "Parish Pastoral Family" of devoted staff that provide vital resources to our entire community, not just the Catholic Family. We are always amazed at the valuable services we see in the Sunday Bulletin. That outreach and engagement has allowed Divine Word to grow well beyond the original Diocesan plan. Our Parish Mission Statement, "Come Journey With Jesus" guides everything we have accomplished as a valuable partner to the Diocese.

Paying Forward has been an important part of our Parish Family since our founding. The families that supported our original building campaign were not just doing it for ourselves, but were Paying it Forward for today's families. I hope you agree it is now our turn to Pay it Forward for our Diocese and Parish's continued growth and prosperity. As Father Dave explained at recent Masses, we are seeking everyone's support for the Diocesan Capital Campaign "Called to Flourish". Because of the dedication and hard work of Father, the Campaign Committee and a select group of Parish donors, we have exceeded over 80% of our goal and now need everyone's help to get us over the finish line. It is not as important WHAT you give, it is about THAT you give. Every gift matters and shows your commitment to continuing a thriving future for our children and future generations at Divine Word.

- Thank you and God Bless. Joe & Kathy Mahvolic
